

Director General's Office
Ref.n.519/2009
15 October, 2009

Dear Sirs,

**6th Energy Saving Exhibition «SAVEENERGY 2010»
Nicosia 12-14 March, 2010**

The Cyprus Employers & Industrialists Federation (OEB) announces the organisation of the 6th Energy Saving Exhibition «**SAVEENERGY 2010**» which will take place at the Cyprus International Fair grounds (EXPO) in Nicosia between the **12th and 14th of March 2010**. The **SAVEENERGY** Exhibition is co-organised with the Cyprus Ministry of Commerce, Industry and Tourism and the Electricity Authority of Cyprus.

The «**SAVEENERGY**» exhibition is considered amongst Cyprus' best exhibitions and thus apart from the publicity given by the organisers it is well covered by the local mass media. It is worth mentioning that **SAVEENERGY 2010** was visited by more than 25.000 trade visitors and consumers. The 91% of the «**SAVEENERGY 2010**» exhibitors stated that the exhibition was a great success, while 94% of them stated that they will surely participate at «**SAVEENERGY 2010**». None of the exhibitors had negative comments about the exhibition.

Exhibits at the «**SAVEENERGY 2010**» include:

- solar water heaters,
- energy saving cooling and heating systems/technologies,
- wind, biomass and photovoltaic-panel generated electric supply,
- thermal insulation materials,
- low emission light bulbs,
- energy management systems,
- generation, transmission, distribution and utilization of energy equipment,
- non-productive energy consumption and energy losses reduction materials/equipment,
- cogeneration of electricity and heating/cooling systems,
- electric and hybridic cars, etc.

Participants at «**SAVEENERGY 2010**» can also be service providers such as architects, mechanical and electrical engineer consultants, energy consultants, bank institutions, etc.

Seminars and workshops will be held within the framework of the exhibition in order to discuss the subsidy scheme which the Cyprus Government offers to the investors on renewable energy systems, as well as energy saving products. The new technology developments will also be discussed, as well as the energy saving in old and new buildings according to the E.C. Directive for saving energy. Any exhibitor who wishes to speak at the seminars, can be granted up to one hour to promote his products and/or services.

Participation at «**SAVEENERGY 2010**» costs only 76 Euros per square metre stand construction included or 62 Euros per square metre for the use of the exhibition space only.

Anyone interested to participate at «**SAVEENERGY 2010**» may do so by completing the attached «Participation Form» and sending it to the Cyprus Employers & Industrialists Federation (OEB) by the 29th of January 2010 (30 Grivas Dighenis Avenue, P.O.Box 21657, 1511 Nicosia, Cyprus).

For further information you may contact us at the e-mail: panastasiou@oeb.org.cy, tel. +357 22665102, or fax +357 22669459.

Sincerely yours,

MICHAEL PILIKOS
Director General
