

Chairman's Office

Ref.no.685/2016

29 December, 2016

H.E. the Ambassador of the Russian Federation
Mr. Stanislav V. Osadchiy
P.O. Box 21845
1514 Nicosia

Your Excellency,

I am deeply shocked and saddened by the callous murder of Mr. Andrei Karlov, the Russian Federation's Ambassador to Turkey. The Cyprus Employers & Industrialists Federation (OEB) joins me in conveying condolences to the Government of the Russian Federation and Mr. Karlov's family.

Terrorism, in all its forms, is unequivocally condemned; it threatens peace, stability, democracy, our values and way of life. Atrocious acts like the Ambassador's murder can only strengthen our resolve in addressing the plague that is terrorism.

I wish to take this opportunity to extend my deep condolences for last Sunday's plane crash in Sochi and the great loss of life it has caused. Our thoughts and prayers are with the victims and their families.

Yours sincerely,

CHRISTOS MICHAELIDES
President
