

CYPRUS EMPLOYERS AND INDUSTRIALISTS FEDERATION

One day training Seminar «Guarantees of Origin (GOs) in the liberalized electricity market»

17 January 2020, 08:30 – 17:00

OEB premises, Acropoleos Avenue 2 & Glafkou Street, Nicosia, Cyprus

TOPIC

Recognizing the importance and the ever-growing need for use of **Guarantees of Origins (GOs)** in the liberalized electricity market, OEB decided to organize a training seminar inviting **Greenfact**, one of the most renowned companies specializing in this sector. **Greenfact** will provide an in-depth understanding of the fundamentals and benefits of the GO system and market, making at the same time some recommendations for renewable energy producers in Cyprus.

The participants will have the opportunity to learn about the Guarantees of Origin, which are electronic documents, that prove to the final customer that a quantified amount of electricity originates from a specific renewable energy source, or is produced by cogeneration. GO is a tradable commodity that represents a claim to the environmental benefits associated with renewable power generation. Participants will benefit from understanding the GOs wholesale market as well as the trading benefits.

The seminar will cover the following sections:

Base Module - Module I - The Guarantees of Origin market

- * An overview of the GO wholesale market
- * Market drivers
- * How does trading work?
- * Most important market players
- * Q&A

Module II - Fundamentals of the GO system

- * Legal
- * Implementation in different EU member states
- * The role of the AIB
- * Available market data
- * A history of the GO system
- * Q&A

CYPRUS EMPLOYERS AND INDUSTRIALISTS FEDERATION

Module III - Recommendations for renewable energy producers in Cyprus

- * Selling strategies
- * Countries with high demand for Solar and Biomass GOs
- * Market access
- * Possible counterparties
- * Q&A

REGISTRATIONS

To confirm your interest please fill out the registration form at:

<https://forms.gle/BAoyYKgoUCTX53Yr9>

The deadline for registration is the **20th of December 2019.**

Participation Fee

The participation fee is €500+VAT. The fee for OEB members is €400+VAT.

SPEAKER

Dr. Alexandra Münzer, Greenfact Managing Director

Dr. Alexandra Münzer holds a PhD in physics from the Technical University in Munich and before her work within the renewables industry, she worked with the development of electrical devices and as an expert for electrical engineering at an international IP firm. Together with her team, Alexandra has built up Greenfact – an Oslo-based market intelligence and consultancy company with a special focus on the renewable energy certificate OTC market in Europe. The Greenfact platform offers access to GO price data, volumes and statistics – in combination with relevant news, exclusive interviews, political and legal updates, as well as facts and figures for all the EU/EEA countries. With clients in 20 countries, Greenfact is the leading market intelligence company providing business intelligence and pricing information for Green Certificates and Guarantees of Origin.
