

Dear Member states,

Please, be informed that the **2020 EDIDP calls have been published** on the European Commission's funding and tender portal. All reference documents (calls and conditions, submission forms) have been published last Friday and can be downloaded [here](#) directly. The web version of the calls should be published [here](#) in the coming hours, subject to the resolution of technical issues.

The formal **opening date for the calls** has been set to **15 April 2020**. The *Guide for applicants* and the *Model grant agreement* may not be available before that date.

The **submission deadline** has been set to **1 December 2020**, subject to further extension in case of evolution of the coronavirus crisis.

Kind regards.

European Commission
