

Marios Kapiris – IBM Profile -2020 Update

Marios Kapiris is currently the Manager of IBM Cyprus since 2014. His job responsibilities include the general management of IBM's business operations in Cyprus, including sales, business development, project delivery and technical support. Mr. Kapiris has begun his career in IBM in Cyprus back in 2001, holding various management positions since then in Cyprus and abroad, including countries Greece, Australia and New Zealand. He holds a degree (BSc Hons) in Computer Science & Marketing from the University of Keele (UK) and a Master's degree (MSc) from the University of Leeds Business School (UK) in International Management. He is also a qualified ACIM from Chartered Institute of Marketing (UK).

He also represents IBM Cyprus as a Board Member at the Cyprus Employers and Industrialists Federation (OEB), a Board Member and President of the Economy and Education Committee of the American Chamber of Commerce in Cyprus (AmCham), he is the Vice President of the Cyprus Institute of Marketing (CIM) Council, and a Board Member of the Cyprus Information Technology Enterprises Association (CITEA).

Mr. Kapiris has been recently appointed as a member of the Parallel Parliament initiative by the Parliament of the Republic of Cyprus, for Research, Innovation and Digital Governance and currently holds the role of the Secretary of this parliament.

He is married and has two young daughters.
