Professional Experience

Mr Tofarides started his career in July 1973 by founding a Private Practice with A. Georgiou Ph.D. in Nicosia. In Jan.1975 he had the opportunity to work as a Site Engineer for the Gulf General Projects International Co., Sharjah, U.A.E. and the same year to be the Project Engineer to Gulf General Projects International Co. Moving up the ladder through hard work by 1976 Mr. Tofarides was promoted to the position of Chief Engineer of the company.

After getting valuable working experience from the U.A.E. he decided to come back to Cyprus and establish TOFARCO. The company aim was to create a personal philosophy of its own, which is expressed in one simple phrase "Absolute Consistency". During its 35 years of life, TOFARCO evolved into one of the largest and most credible land development companies with activities covering all fields of construction. The projects executed during the 1980s and 1990s set the trend of owner-occupied apartments among Cypriots.

As the President of the Cyprus Land & Building Developers Association from 2003 until 2012 Mr. Tofarides had daily contacts and meetings with government officials of the highest level and members of the parliament regarding Real Estate and development issues and other economical matters. He is also taking part, as a member of the Board of Directors and Executive Committee of the Cyprus Employers and Industrialists Federation, in various negotiations regarding laws and regulation that have to do with issues of the Cyprus Economy.

In 2007 the Syrian Government issues an international call for tenders for the creation of an ambitious project regarding the development into an exclusive tourist destination of a region covering 13 square kilometers in Latakia, budgeted at €20 billion. TOFARCO Consortium, a cooperation of several international consulting firms and tourism organizations under Tofarco, received the highest score in the call for tenders.

In 2011 he was awarded as Manager of the Year by the esteemed In Business Magazine Awards.

From 2012 until 2014 he served as the President of FIABCI Cyprus Chapter.

The TOFARCO Group is comprised of several subsidiary companies, specializing in the following activities:
