PRESS RELEASE

CYPRUS RE-OPENS ITS BORDERS TO VISITORS FROM ISRAEL

NICOSIA, CYPRUS, March 23rd, 2021 - Taking all necessary measures to ensure that visitors enjoy their holidays in a safe and carefree environment, Cyprus will be opening its borders to all visitors from Israel, as follows:

Opening of Borders: Cyprus opens its borders to all visitors from Israel as of **April 1st, 2021**.

Quarantine-free Travel: All tested and proved to be covid-free passengers who have not come into close contact with a confirmed case, will be guaranteed a quarantine-free stay.

Travelling with Children: Children under the age of 12 are not required to undergo any testing. Children aged 12-18 will still be required to undergo testing as per the enforced Protocol.

Vaccination: Additionally, as of **April 1st 2021**, all travellers who can prove they have received the required doses of a recognised vaccine, will not be required to undergo any tests to visit Cyprus.

Protocol: Travellers are required to follow all regulations, measures and precautions as described in the [Cyprus Destination Protocol](#).

Cyprus will continue to provide the best holiday experience to which our visitors are accustomed, and for which we remain one of their most beloved destinations.
