

Michalis Gregoriou

Michalis Gregoriou is Head of the Business Development Department at the Cyprus Employers & Industrialists Federation (OEB), a position he has held since 1 January 2026. He joined OEB in 2002 as an Officer and was promoted to Senior Officer in 2023.

He has extensive experience in business development, industrial policy, and the formulation of evidence-based positions on issues related to healthcare, small and medium-sized enterprises (SMEs), grant schemes, and broader economic policy. In his role, he provides advisory services to businesses and professional associations, manages funding instruments, coordinates the organisation of conferences and business missions, and represents OEB in national and European bodies.

He is a member of the Board of Directors of the Research and Innovation Foundation and the Cyprus Organisation for the Promotion of Quality (CYSAB). He also serves as the EU National Coordinator for SMEs in Cyprus.

He holds a Bachelor of Science in Finance, with a specialisation in Investments, from the University of New Orleans, and is a graduate of Dasoupolis Lyceum.
